### STATE TO DEMAND \$10,530,000 AS BAIL BONDS

**Illinois Prosecutor Announces He Is Ready to Ask Huge Sum as Security for Appearance of Alleged Grafters.**

By Evening Herald Leased Wire  
Chicago, Dec. 4.—Charles C. Case, assistant state's attorney, said today he was prepared to demand bail aggregating \$10,530,000 for the release of the fifty-four defendants named by the grand jury yesterday in indictments charging labor graft. He said he would demand total bail of \$195,000 for each man. Attorneys for the defendants contend that the bail was excessive.

There are 6,946 counts against each defendant—forty-seven of whom are officials and members of the building trades unions, two are saloonkeepers, two bartenders, two plate glass dealers and one an electrical contractor.

They are charged with extortion, conspiracy and malicious mischief.

Twenty-six of the fifty-four defendants appeared in court today and pressed for a reduction in bail from the \$195,000 each asked by the state attorney to \$2,500. Assistant State's Attorney Case insisted on the higher amount.

Attorney Frank Comerford, coun-

sel for a number of the men under

arrest, said today that the grand jury

action was part of a conspiracy by

employers to destroy union labor in

Chicago.

Twenty-six of the fifty-four men

named in the forty-six labor extor-

tion and conspiracy indictments returned

last night were granted and a reduction

in bail today by Judge Richard Burke in the criminal court to \$2,500

on each indictment in place of the

\$195,000 bail demanded by the state.

The bond ruling was regarded as a

victory for the defendants as the state

had asked that the men be held in

jail if they could not furnish the

\$195,000 bail demanded.

### OVERSEAS AGENCY SAYS RUSSIAN WAR LOAN IS A FAILURE

(By Evening Herald Leased Wire)  
Berlin, Dec. 4. (By Wireless to Sayville.)—The overseas news agency asserts that it has received private advice that the Russian war loan has proved a total failure.

"Although 1,000,000,000 roubles were offered for subscription," adds the news agency, "the reports declare that during a preliminary period of four days in two subscription days, the subscriptions of the majority of the banks and government offices amounted to only 100,000,000 roubles."

"According to the report, the government has threatened to transport to Siberia persons who offer loan securities below the price of issue."
